

ELAFONISI BEACH

Join us for a day at one of the most stunning spots on the island — the southwestern tip! This place will surprise you with its beauty.

Elafonisi is a unique natural wonder. It is almost like an island but connected to the land. To reach it, you walk through shallow seawater.

Long ago, pirates used this area, but today it is a favourite place for visitors who come to enjoy the peaceful lagoon and the beauty of the Mediterranean.

Elafonisi is like a paradise! It has soft sand dunes, small trees, bushes, and rare flowers. You can walk through clear, shallow waters to get there. The sand is white and pink, made from tiny seashells. The turquoise waters, hidden little beaches, and quiet coves make this place feel like a dream.

Swim in the warm, clear sea and relax under the bright summer sun!
