

KNOSSOS PALACE – HERAKLION CITY TOUR

Knossos is the most famous place in Crete and a must-visit during your stay on our beautiful island. This ancient site was the centre of the powerful Minoan civilization, which ruled the Mediterranean. As we explore the ruins and hear the stories of Knossos, we will discover the amazing history of the Minoans.

In Knossos, you will see many important spots, like the small palace, the mural room, the royal tombs, and the royal mansion. The palace is famous for its maze-like corridors, which gave it the name "Labyrinth." According to legend, this is where the Minotaur lived. The palace impresses visitors with its unique design, luxurious materials, and advanced drainage system. Even today, Knossos remains one of the most fascinating sights in Crete.

After our visit, we head to the village of Patsides to explore the **Minoan Farm**. Here, you can taste traditional products and walk through fields full of Cretan herbs. You will also learn about local beekeeping and taste pure Cretan honey, known for its rich flavour and health benefits.

Next, we return to **Heraklion** for a walk in the city centre with our guide. You will then have free time to shop in modern stores, enjoy a coffee or lunch in one of the local restaurants, visit the Archaeological Museum, or explore the city's charming medieval buildings.
